Testimonials

"My Partner and I had our wedding at Bina Maya Yallingup Escape and it was an absolute dream.

We booked before viewing the property as Sara's quick replies to our emails and ease in answering any questions gave us confidence from day 1, after viewing the property before the wedding we were blown away. As soon as we arrived we could see how much planning and effort went into designing the beautiful homes which feel like luxury. Sara was so flexible throughout the planning and our on wedding day, we really could not have asked for anything more. The days before and after the wedding were just as fantastic as Bina Maya really is a perfect escape, apart from the kangaroo visitors you feel like you have the place to yourself. We can't wait to be back!"

"Kara and I held our intimate wedding at Bina Maya, the ceremony was held on the grassed area on the edge of the bushland followed by dinner on the balcony of the main residence with 16 of our immediate family and it was absolutely perfect. We couldn't have asked for a more beautiful location and venue. Sara and Tim were so generous with their time and went above and beyond for us all weekend. We can't thank them enough for their efforts and help in making our wedding so amazing. Kara and I keep reflecting back to our wedding and stay at Bina Maya and talking about how incredible it was, it is such a special place and we can't wait to visit again for our one year anniversary or maybe sooner as I'm not sure we can wait a whole year before visiting again"

"Bina Maya was an absolutely beautiful venue for our intimate wedding. The accommodation is luxurious and Sara was very happy to make any little idea we had happen, so our day was completely personalised. We felt we got a lot more than just a place to get married, as Sara was very helpful with recommendations and getting us organised for our special day! "

"Amazing luxurious villa!

My partner and I stayed for 3 nights in the villa and it couldn't have been more perfect.

Everything is thought of in this villa! From the fireplace to the heated floors, the wine fridge, all just adds to the luxury of the place!

Sara was so attentive to any requests we had and a bottle of wine at arrival just topped it all off.

The serenity of the place cannot be beaten, especially with the added bonus of kangaroos on the grass at dusk.

The location is perfect, close to all the wineries and only 10 mins from Dunsborough's town centre.

We cannot wait to return and will be recommending Bina Maya to all our family and friends!!"

"Amazing Stay!

Such a beautiful property to stay on, no detail was left unthought of and we came home feeling relaxed for a change. The villa was so beautiful we hardly wanted to leave! Its perfect for couples or families looking for a bit of extra luxury".
